

Rifleman Firearms Rangers Air Gun Club

Rules and Regulations

- You pay at reception and sign in agreeing to following rules and regulations before your session.
- Only non-FAC (less than 12ft lbs) air rifles & (less than 6ft lbs) air pistols can be used on the range.
- Do not shoot if you are under the influence of alcohol, drugs or medication that may affect your judgement.
- Never climb over the shooting point onto the range.
- No live quarry to be shot at.
- You will use a chamber flag when moving your rifle off the bench.
- You may move the filling air bottle to your bench if you do not have a chamber flag.
- You will only use the air re-fill equipment if you are a club member for your own personal use, this is not free for non-members.
- You will always respect the range equipment and report any misuse or faults.
- Children aged 8-14 years must be supervised by somebody aged 21 or over. (Minimum shooting age 8yrs).
- No use of foul or abusive language.
- Please tidy your lane before you leave.
- You agree to our late cancellation policy, to inform us at least 24hrs before cancellation of your session to avoid being charged. (Zeroing lanes only).

Air Rifle Range Safety

- Please arrive with your magazine out and a chamber flag inserted.
- At the shooting point, insert a chamber flag when the firearm is not in use/left unattended.
- When filling your PCP air rifle, you must remove your magazine and insert a chamber flag before leaving the shooting point, prior to filling.
- We thank you for your acceptance and understanding of these rules and requirements.
- Break barrel, gas ram and underlever air rifles do not require a chamber flag if they are left in a 'non-cocked' position, when not in use.
- Magazines must be removed from all CO2 pistols when not in use/left unattended.
- You will make every effort to handle & show the pistol/revolver is clear and safe.

Umarex action training area - range safety

- Do not use without permission.
- Safety glasses must be always worn by everyone.
